

Notley High School & Braintree Sixth Form

Executive Headteacher and CEO of NEMAT: Rob James

11 November 2020

Dear Parents/Carers

Due to COVID restrictions, our capacity to deliver our normal practical learning experiences for students has been limited so far this year.

However, now that we are back in our specialist rooms for all Design and Technology lessons, we are pleased to be able to begin to reintroduce elements of practical work into our curriculum from Monday 16 November 2020.

Practical experience is a crucial aspect of skills development for our Design and Technology classes, and we know students will respond positively to these opportunities. Additional control measures will, of course, be in place to ensure full compliance with the school's wider COVID secure measures.

If you have any queries, please do not hesitate to contact us via email, andrew.curtis@notleyhigh.com or emma.currie@notleyhigh.com

Yours faithfully

Mr A Curtis
Head of Subject – Food & Textiles

Mrs E Currie
Head of Subject – Product Design
