Dear Parents/Carers

Face coverings

Every week, we revisit the COVID-19 risk assessment in the light of new guidance and the changing national and local picture. We wrote to you last week to outline our change in approach with regards to face coverings.

As a consequence of the rise in the number of new cases of COVID-19 nationally, we strongly recommend that all students wear masks inside school, specifically when moving between lessons.

We no longer require consent.

Please could you encourage your children to wear masks in school.

Yours faithfully

Dr C Cusick
Head of School
