Weekly Bulletin

Summer Term - Friday 21 May 2021

Dates for your Diary		
Tuesday 25 May	Year 9 Girls and Boys HPV2 Vaccinations catch up	
Tuesday 25 May	Year 13 Leavers Assembly	9am - 10am
Wednesday 26 May	Year 9 Girls and Boys HPV2 Vaccinations catch up	

Arriving at School on Time

We would like to ask parents/carers to remind their children that students in Years 7 – 11 are expected to arrive in school on time, ready to join tutor time at 8:40am each morning.

Vaccinations – Tuesday 25 May 2021 and Wednesday 26 May 2021

The vaccination team will be in school next week for the Year 9 HPV vaccinations. This is the second of the two HPV vaccinations required to complete the course. Consent for this was given prior to the first vaccination, last year. If you did not provide consent, your child will not be eligible for this vaccination at this time.

There will also be a small number of students having their first HPV vaccination, and a few having the DTP/MenACWY. If your child is due to have one of these, the vaccination team will have contacted you to discuss this.

Please ensure that your child has breakfast before school on the day of their vaccination. It also helps if they can wear a short sleeved shirt on that day. If not, please send them in with a short sleeved PE shirt so they can get changed.

If you have any queries regarding these vaccinations, please contact the nurses direct on 0300 790 0597

Applications are now open for Senior Student positions!

Mrs Greatrex has sent an email to all Year 10 students providing a copy of the role descriptions. All interested students should send a letter of application to ceri.bird@notleyhigh.com by 4pm on Wednesday 26 May 2021, stating the role that they are interested in, and how they would be suitable for the role.

Good luck!

Extra-Curricular PE Clubs

To sign up for a club, please complete a Microsoft Form each week. The Microsoft Form will be 'live' from each Wednesday - Friday during the week before each club is scheduled to take place. A link to the form for next week's clubs can be found below:

HAPPEN**

Applications close on the 28th May and this programme is for a limited cohort of students. Selection criteria applies.

More information can be found [here](#) and any questions can be directed to Jake: j.chatifeld@makehappen.org

Jack Petchey Award Winners 2020

Congratulations to the following students who were our Jack Petchey award winners for 2020. The Jack Petchey Foundation recognised and celebrated their achievements.

- Jack Ager
- Esme Clayden
- Taylor Gooding
- Megan Knight
- Caitlin Whittaker
- Ronnie Williams

The students received their Jack Petchey medals after attending the 2021 Braintree Jack Petchey Achievement Digital Awards Presentation, which took place virtually via YouTube, on Tuesday 23 March 2021. We are really proud of the accomplishments of these students who have shown great resilience in each of their endeavours.

Year 9 Dodgeball Inter-House Competition

Last week, Year 9 students participated in a Dodgeball inter-House competition during tutor time. Participation levels were high and competition was fierce to see which tutor groups would make it into the final on Friday. It was great to see so many students enjoying themselves and representing their tutor groups and House with pride. It was also great to see some tutors get involved and embrace their inner youth! The results of the final were as follows:

- 1st = F1 (Franklin)
- 2nd = T2 (Turing)
- 3rd = P1 (Parks)
- 4th = W1 (Winton)

Well done to everyone for taking part and to the majority of those who couldn't, due to injury etc., who were fantastic at supporting their tutor group whether that be through cheering them on or retrieving dodgeballs for their tutor/House. Hopefully they will be able to participate more next time.

Please note that the baking competition was postponed.

Letters home this week - Monday 17 May 2021 - Friday 21 May 2021

School Leavers Options Guide for Summer 2021 – Mid Essex

Employability and Skills Team

A guide to support a young person's next steps.

The ongoing Corona Virus epidemic may have left many young people unsure about their next steps, where to go for advice and maybe even unsure about their future career choices. With this in mind, we have produced this guide to support young people. The way that these opportunities are delivered may be subject to change.

Many of you will expect to achieve the grades needed and will be staying in your school sixth form, have secured a place at college, or have a start date agreed for an apprenticeship. If you do not have any firm plans in place then please read on:

Planning

When considering your next steps, it can seem confusing as there are so many options to choose from. Whether you are looking at further education, apprenticeships, work or training, we recommend that you research thoroughly. There are several websites listed in this resource which can help you to explore courses and careers. In addition, it is important to identify existing skills as well as your hobbies and interests to help you to make a good match. You could also speak with school or college staff, careers advisers and family networks to help you to make a strong choice. Remember to have a backup plan.

Extension to Child Benefit

If you are a school or college leaver, under 18, unemployed and do not have a course or training programme to start in September 2021, your parent/carer may be entitled to claim Extension to Child Benefit. There is a time limit in which you can register your claim. For more information contact the Employability and Skills Team on **0800 707 6384** to be put in touch with an Adviser in your local area.

College and Further Education options

If you have not already applied, then we suggest that you make applications quickly. There are broadly two different types of college course:

Academic Courses (e.g. A levels/ International Baccalaureate)

- Usually involves studying multiple subjects. This may provide increased progression options at the end of the course.
- Assessment is usually weighted towards exams with less emphasis on continuous assessment.
- Entry Criteria: Typically, applicants will be expected to achieve at least five GCSEs at grades 9 to 4. The specific requirements vary across schools and colleges.
- Some schools and Sixth Form Colleges may offer GCSE resit options for young people that have narrowly missed out on GCSE grades.

Vocational courses (e.g. BTECs/ T Levels/ NVQ/ CACHE)

- Vocational courses are typically designed around a specific industry/ occupation.
- Courses usually range from Level 1 and go up to Level 3 and higher.
- Vocational courses are an opportunity to specialise early in a subject that interests you.
- It often means studying one main subject (some schools and colleges allow you to blend academic and vocational options).
- If you have not achieved Grade 4 in GCSE Maths or English, you will be required to complete these qualifications alongside your main course.

Apprenticeships & Traineeships

Due to the Corona Epidemic, there may be fewer apprenticeships advertised. It is very important for you to have a backup plan. For up to date information about local vacancies, please visit: www.gov.uk/apply-apprenticeship

What is an Apprenticeship?

An apprenticeship gives you the opportunity to gain work experience, a qualification and earn a wage at the same time. Apprenticeships are available from Level 2 (equivalent to GCSE 9-4) all the way up to Degree level in some occupational areas.

What are Traineeships?

Traineeships (sometimes referred to as Pre-Apprenticeships) are work experience placements with employers (occasionally paid) lasting from six weeks to six months. With a traineeship, you will gain employability skills, functional skills in English and Maths (if needed) and meaningful work experience. It could lead to an apprenticeship with an employer.
