### Safeguarding

As part of a response to national concerns about harmful sexual behaviour and peer on peer abuse, the DfE has asked the NSPCC to set up a new dedicated helpline 'Report Abuse in Education'. This went live on 1 April and will provide appropriate support and advice to victims of abuse and concerned adults, including onward action such as contacting the police if they wish to.

The contact details are: Phone: 0800 136 663 or Email: [help@nspcc.org.uk](mailto:help@nspcc.org.uk)

### The Big Ask

The new Children's Commissioner for England, Dame Rachel de Souza, has launched The Big Ask.

This is the largest ever consultation with children aged 4 to 17 in England. It aims to find out children's concerns and aspirations about the future, so that we can put children at the heart of our country's recovery from the coronavirus (COVID-19) outbreak.

Students are encouraged to answer the survey by clicking on this link [The Big Ask | Children's Commissioner for England](#)

Parents, care leavers and those working with children are also invited to complete the adult survey to share their views about the future for children and young people today, and what they think is holding young people back. The link can be found here [Adults | Children's Commissioner for England](#)

The results from this survey will help the Children's Commissioner identify the barriers preventing children from reaching their potential, put forward solutions and set ambitious goals for the country to achieve.

### LFD Home Test Kits

There has been a delay in the Government sending supplies of the Lateral Flow Device (LFD) home test kits to the school, and we are awaiting a delivery. In the meantime, we will prioritise the LFD home test kits to Years 10, 11, 12 and 13 students.

If your son/daughter is in Year 7, 8, or 9 we ask that you collect a home test kit from your nearest test collection site. You can check this by clicking on [Find where to get rapid lateral flow tests - NHS \(test-and-trace.nhs.uk\)](#). There are 9 sites in Braintree to collect home test kits from. The nearest site to Notley High School & Braintree Sixth Form is Wellbrooke Products Limited, 35 Masefield Road, Braintree, CM7 1AA.

Thank you for your assistance with this.

### Extra-Curricular PE Clubs

To sign up for a club, please complete a Microsoft Form each week. The Microsoft Form will be 'live' from each Wednesday – Friday during the week before each club is scheduled to take place. A link to the form for next week's clubs can be found below:

## A fantastic summer holiday volunteering opportunity for students aged 14 and over with Essex Libraries

Essex Libraries are inviting students aged 14 and over to volunteer in their local library during the summer holidays. Their role will be to encourage children to participate in the annual Summer Reading Challenge and talk to them about the books they are reading. Students can use this opportunity to gain work experience within their community and they can put the volunteering hours towards Youth Award Schemes such as Duke of Edinburgh. Volunteering will help them gain new skills and self-confidence.

Attached to this bulletin, is a copy of the role description. We ask our volunteers to volunteer for a minimum of 18 hours – although they are welcome to offer to do more hours if they wish. The online application process is quick and easy.

When the application form is submitted an electronic reference form will be emailed to the student's nominated tutor.

Further information, and a the link to the online form can be found on the Essex Libraries website. This year's challenge is called Wild World Heroes.

The deadline for applications this year is Sunday 13 June 2021. Students need to be aged 14 or over, but anyone turning 14 during the summer holidays by 31 August 2021 will be accepted. Owing to a high demand for places each library has a maximum number of volunteers they require so these will be allocated on a first come first serve basis.
