

Summer Tasks- Drama

On the A Level Drama and Theatre studies course we explore a variety of texts and theatrical styles, expanding your knowledge of the role theatre plays in the world we live in. Your tasks are:

1. To create a 'History of Theatre' timeline. This will require you to research styles of theatre and when they were popular. Styles and influential practitioners did overlap each other, be aware of this as you create your timeline.

In addition to other styles and influential practitioners, Your timeline MUST include: Greek theatre, Renaissance Theatre, Stanislavski and Katie Mitchell.

2. Create a powerpoint presentation/ a short booklet about the theatre practitioner Stephen Berkoff. To gain a further understanding of Berkoff's work, research clips of his style in action.
