

16 July 2019

Dear Parents/Carers

Please find attached, a summary of the main educational trips and visits that we are proposing to run during the academic year 2019 - 2020.

Although we do not anticipate that there will be any additional trips or visits, if we are offered an opportunity during the academic year that supports the curriculum, we will contact you separately. We do not anticipate that such a trip/visit would involve significant cost to parents/carers.

We will be issuing this letter on an annual basis, to enable parents/carers to have an overview of what opportunities there are for their sons/daughters, enabling you to budget for the more expensive trips.

We will use the Notley High School & Braintree Sixth Form Facebook and Notley High School & Braintree Sixth Form Twitter pages to keep parents/carers informed of 'live' trips and visits, together with travel updates as they happen.

Yours faithfully

Ms H Thomson

Head of Communications, Administration & Governance Professional Services

Trip	Subject Area	Date From	Date To	Year Group(s)	Cost (approx.)	Short Description of Trip
A Level Geography	Geography	17/09/2019	18/09/2019	13	£305* one payment for both trips	NEA & compulsory fieldwork - Southwold, Suffolk.
